

## Congratulations to the class of Year 12 – 2011 Outstanding HSC results!

Congratulations to our Year 12 – 2011 students on their outstanding HSC results. In a media release from the Catholic Education Office late last week, the College was ranked third in the list of Archdiocese of Sydney Catholic schools, with 93.5% of our courses achieving above state average. Our students achieved 106 Band 6's, and 19 students scored an ATAR over 90. In addition to these high performance statistics many students should be congratulated on achieving "personal bests". Many achieved significant improvement in their HSC examinations, which is proof that hard work will be rewarded. In this time of celebration, we are also mindful of the many students who have also served the College in areas of Lasallian Ministry and in VET service courses such as Hospitality and Construction. This work is integral to the Catholic life of our school.

We especially congratulate Alexandra Turner, Dux of the College, with an ATAR of 98.2 (5 Band 6's and BOS Allrounders Merit List). The following students deserve special mention:

I once again thank you, the parents for the extremely important part you have played in supporting our mission, and your son/daughter's education. I also thank the teachers and support staff at the College for their terrific dedication to their work. It is their willingness to challenge all students to do, and be their best, that brings about these great results.
