The quality of teaching and learning at the College has again yielded very impressive academic results by a strong group of high achievers. They are pictured below receiving their awards at our Thanksgiving Mass.

Many other students have achieved “personal bests’ as a result of their consistent academic efforts and the culture of pastoral care shared by our teaching and student support staff.

Our Vocational Students, who follow non-ATAR pathways, have also shone throughout 2015. The College’s reputation for producing “work ready” apprentices was again enhanced with a large number of graduates being offered apprenticeships at the end of the school year. Furthermore, 2 Vocational Students won prestigious trade training awards during 2015.

Gabrielle Mark - VET Student of the Year, Sutherland Shire Business Education Network

Charlee Michel - Finalist, School Based Apprenticeship Student of the Year, NSW Training Awards
