

**Congratulations to the class of Year 12 – 2013
Outstanding HSC results!**

Our Year 12 students in 2013 continued to grow our reputation and standing as a high achieving Secondary College in terms of HSC results. Students and staff maintain a commitment to work together to achieve “personal best” performances, which impacts favourably on every student’s overall results, including their ATAR’s. The students’ efforts and results were celebrated at the College Opening Mass, and the “high achievers” are pictured here just after receiving their awards. A particular highlight of the results was the number of students (14) with an ATAR above 95. The full list of ATAR’s over 90 is below.

We particularly celebrate the extraordinary results of:

- Laura Wood who was placed 4th in the state in General Mathematics
- Adriana Maras with an ATAR of 97.35 and placed 7th in the state in PDHPE
- Larissa Grinsell with an ATAR of 99.6, 1st in the state in Studies of Religion (2u), 2nd in the state in Ancient History, and our College Dux for 2013.
