Jessica Coe	94.95	Huaming Xu	91.15
Keva Wilson	94.65	Paddy Johnson	90.75
Chloe Miller	94.60		

By many measures our Year 12 students in 2014 continued to grow our reputation and standing as a high achieving Secondary College in terms of HSC results. Students and staff maintain a commitment to work together to achieve “personal best” performances, which impacts favourably on every student’s overall results, including their ATAR’s. Our Year 12 – 2014 students are to be particularly commended on their self-directed learning and utilisation of the College Library before and after school, and in school holidays. The students’ efforts and results were celebrated at the College Opening Mass, and the “high achievers” are pictured here just after receiving their awards.
